Color sets now total 37 million

NEW YORK (UPI) — NBC estimates that, as of Oct. 1, American households having color television sets numbered 37,300,000, an increase of 38 million since last January and representing 57.3 per cent of video households.

The second annual Winners Circle Championship for women golfers will be aired on ABC-April 14-15

NBC's Friday night "Ghost Story" series has undergone a title change to provide for a wider range in material. It starts the new year as "Circle of Fear," which means that the tales no longer have to be confined to the supernatural

The new CBS "Barnaby Jones" private investigator series starring Buddy Ebsen will have Lee Meriwether, a former Miss
