the 1968 and 1969 shows are the same. The commercials are different.

1968 - Miller, Great Shanghi, WOR Christmas Fund

1969 - Nytol, National Airlines, Great Shanghi, WOR Christmas Fund

The Great Shanghi seems to be the same with. It appears they cut the 1 min Miller ad and put in the Nytol and Natl Airline ads each a 30 sec spot.

You may want to date verify the Zirul show with the news and compare the ads.
