Conclusions

Ball game he watched was prob 5-6-67 Pitt vs Giants

S2 Mother's Day tape (Sat 5-13-67) makes it following week?

Not the Thurs 5-18 Show - another show already exists

Not Friday's show as he refers to Limelight show "in a couple of days"

This leaves Mon 5-15, Tues 5-16, or Wed 5-17

Generally, Shep did not promote the Limelight show on Mon or Tues as far as I can verify.

There is a Tues 5-16 show from Art Shifrin - Do we have this to compare?
